

PIYUSH SHARMA

DATA SCIENCE & AI/ML ENGINEER (INTERN) | PEOPLE ANALYTICS | LLM-ENABLED SOLUTIONS

Bangalore, Karnataka | 9755730658 | piyush664128sharma@gmail.com

PROFESSIONAL SUMMARY

B.E. Computer Science and Engineering student (2023–2027) and AI Engineering Intern at Rubixe, with hands-on training in Python, SQL, statistical analysis, machine learning, and deep learning. Skilled at turning data into clear, decision-ready insights using Pandas and NumPy, and keen to apply data science and large language models (LLMs) to business problems responsibly. Collaborative and communication-focused, with experience summarizing complex AI developments for stakeholders. Seeking a data science / AI internship or entry-level role in people and business analytics.

TECHNICAL SKILLS

Programming & Data: Python, SQL (joins, aggregations), Pandas, NumPy

Data Science & Analytics: Data Analysis, Data Manipulation, Statistical Analysis (foundational), Exploratory Data Analysis, Data Storytelling

AI / ML: Machine Learning, Deep Learning, Predictive Modeling (foundational), Generative AI & LLM Concepts (learning)

Cloud & Engineering: Cloud Computing, DevOps Basics

Soft Skills: Stakeholder Communication, Problem Solving, Teamwork, Time Management

PROFESSIONAL EXPERIENCE

AI Engineering Intern – Rubixe | Present

- Training in Python, data science, machine learning, and deep learning through a hands-on AI Engineering program.
- Prepare daily briefings summarizing AI industry updates (including LLM and AI trends) and learning progress, translating technical topics into clear takeaways.
- Gaining exposure to AI industry workflows, tools, and practical engineering practices used to build AI-enabled products.

PROJECTS

Online Book Store | SQL

- Designed a relational database for an online bookstore covering books, customers, and orders.
- Wrote SQL queries using joins and aggregations to retrieve and analyze data and answer business-style questions.

Python Mini Projects | Python, Pandas, NumPy

- Built Python programs to practice data handling, programming logic, and analytical problem solving.
- Used Pandas and NumPy for data cleaning, manipulation, and basic analysis.

EDUCATION

B.E. in Computer Science & Engineering – RKDF University, Bhopal | 2023–2027

Class XII (Science) – Kendriya Vidyalaya | 67% | 2022–2023

Class X – Kendriya Vidyalaya | 79.4% | 2020–2021

CERTIFICATIONS

- IABAC Certification
- NASSCOM Certification

ACHIEVEMENTS & ACTIVITIES

- The Bharat Scouts & Guides – Rajya Puraskar (leadership and teamwork)
- Regional-level Yoga Player
- Regional-level Taekwondo Player

LANGUAGES

English, Hindi
